LA OPALA®

La Opala, since its inception in 1988, has held the reputation as the pioneers of Opal glass technology in India. For many years it has been the Number 1 tableware brand in India. The pride of the brand rests in being the most consumer friendly, due to which it has touched the hearts of millions with a determined vision to elevate their lifestyles.

In its endeavor to service the consumers, it has created one of the widest distribution networks in the country. To offer a wide range to all socio economic groups, over a period of time many brands and product variants have been created. Moreover La Opala's well developed incisive R&D expertise, and evolved design teams have successfully created the most elegant products and stylish designs to satisfy the constantly growing aesthetic standards.

The New Whiter, Lighter and Extra Strong range of La Opala has recently been introduced to deliver the best value for money to its consumers. This new range is fully toughened to make it extra strong, microwave safe, dishwasher safe, and break and chip resistant. It is also 100% Vegetarian as it is completely bone ash free.

One of its delights lies in its highly comfortable pricing, making it possible not only to use it regularly at home, but also offer as gifts in all occasions.
