Innovative Glen food processor

**FOOD
GRADE
BOROSIL
GLASS**

700W

GL 4052

5 years warranty on motor

• 700 W motor • Centralised feeder tube • 5 Jars - liquidiser, grinder and chutney • Drive and central gears • 6 Discs - slicing thick, slicing thin, shredding, chopping, coconut shredding & whisking • Food grade 304SS blades • 3 speed settings with pulse function • Overload protector mechanism • Accessories stand • Special oil seals to prevent leakage

MFP ₹. 8990/-

Compact Storage
A compact rack which houses almost all the accessories conveniently. Moreover it fits comfortably inside the bowl for a convenient storage and a maximum shelf space.

Spill-proof bowl

A large capacity revolutionary new bowl, designed without a handle tube. This prevents overflow and spillage of liquids while working or while removing the processing blades.

Low RPM ultra press

The new specially designed ultra press has a low speed for a convenient operation. Moreover a specially positioned cone for more space and a better grip while juicing.

Multi-flow liquidiser

The new liquidiser now comes with a unique multi-flow lid. Simply slide the pointer near the handle to adjust to the three possible pouring angles.

Easily changeable blades

A single disc with easy to fit attaching/grate blades for shredding, slicing, chopping and grating. For maximum safety during handling, all these blades are mounted in a special plastic body.

**FREE
ROTOR
KIT!**
